

memoria.h

```
graph BT; juego.cpp --> memoria.h; memoria.cpp --> memoria.h
```

A diagram illustrating file dependencies. At the top is a gray rectangular box labeled 'memoria.h'. Below it are two white rectangular boxes: 'juego.cpp' on the left and 'memoria.cpp' on the right. A blue arrow points from 'juego.cpp' up to 'memoria.h', and another blue arrow points from 'memoria.cpp' up to 'memoria.h'.

juego.cpp

memoria.cpp
